STARS	FORKS	LAST UPDATED
156	22	Jul 21, 2026

A deliberately over-long description used to check truncation in the card, the catalogue entry and the printed chapter summary: it runs well past the two hundred characters the book allows, includes a colon: a semicolon; and an em dash — so nothing in the layout can assume a tidy sentence.

#layout #typography #edge-cases #truncation #testing #documentation
